Subject: Thank you!

Greg,

I just want to thank you for a job well done! My husband and I were so reluctant when we started researching companies for our siding repair. We had no idea what we were up against. I came across your website and I was so impressed. I also was impressed with your quick response and professionalism. After interviewing several contractors we knew you guys were the one's we trusted for the job. My husband and I are truly delighted in the quality and craftsmanship of your work. You guys did an outstanding job and exceeded our expectations. The job was done quickly but with perfection. I can't tell you enough how grateful we are for the superior job! Thanks again for all your work!

Sincerely,
Sasha & John Moore
