Dear Greg,

I wanted to write to express our sincere thanks for the wonderful work that Metro recently did installing siding to our home. We especially want to thank Jeff who worked long days, cleaned up at the end of each day and did an excellent job on the siding itself – the result speaks for itself.

We chose Metro based on the quality of your work having evaluated other homes and other companies. Obviously we are very pleased with our “new” home and have received numerous compliments from friends and neighbors.

Please feel free to include us among your references, as we would be very happy to recommend your company. We look forward to future projects with Metro.

Best regards,
