Dear Greg & Jeff,

I just wanted to take a few moments to tell you just how pleased my wife and I are with the fantastic remodel job you did on our home.

It is truly a pleasure to deal with a contractor that is not only professional and timely, but one who actually completes the job just as you stated you would. Terri and I are 100% satisfied.

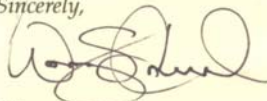

If I may I would also like to thank you for the clean-up job you did after each day of completed work. I went around the driveway looking for small pieces of anything that might get into a car tire or someone's foot and found nothing. THANKS.....

It is clear that you place your customers first and keep them happy with quality work. I will be please to contact you again for future business.

You may have potential customers call me at any time for referrals, I would be happy to recommend you and your company to them.

Thanks for a great job, God Bless You.

Sincerely,

Wayne L. Carrel
