Dear Mr. McManus,
I did my homework,
and it paid off. Metro
Home Improvement was
a great choice. I inter-
viewed several companies,
and yours rose to the top.
The results are the final
proof. Our home has
never looked so good,
including when we bought
it new. It thrills me
when I think it will always
look this good without scraping,
patching, and painting.

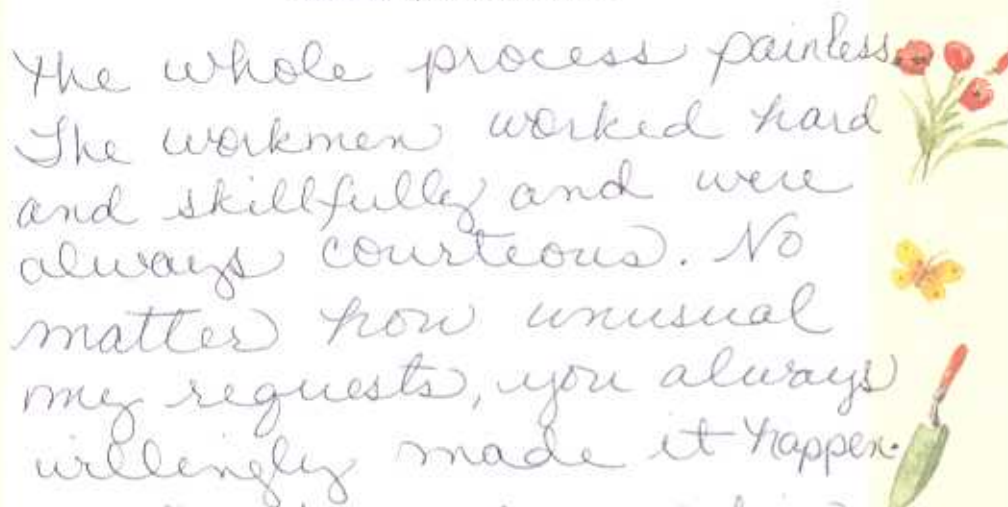

Your company made

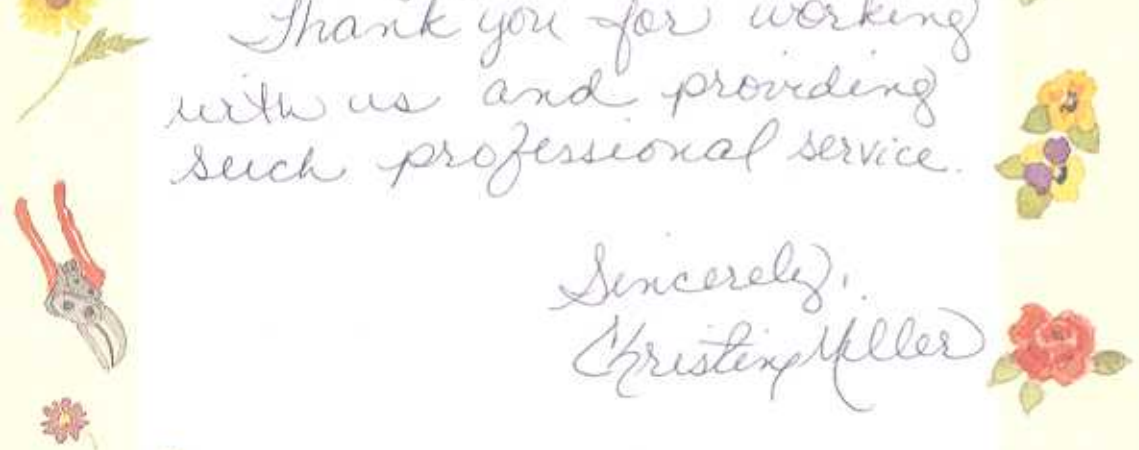

CHRISTINE MILLER

ACWORTH, GEORGIA 30102

The whole process painless.
The workmen worked hard
and skillfully and were
always courteous. No
matter how unusual
my requests, you always
willingly made it happen.

Thank you for working
with us and providing
such professional service.

Sincerely,
Christine Miller
